Elden is a fantasy RPG for Windows®. It is a "Heroic Action RPG", where the character advancement is improved by a large number of battles. The battle results could depend on the character's skills and various weapons

Chivalry is recognized as a core element of the game, and while combat that includes many special attacks is arranged, the basic gameplay on a game pad is emphasized. It's still possible to enjoy the game even if you don't own a game pad, though.

Game Controls: Use the right and left analog sticks to move the player and the cursor keys to perform special actions like melee attacks. There are two special moves.

A glimpse at the world of Elden! While walking around in the world of Elden, you would notice that a sparkling light radiates from every tree, in every aspect of life, it is a world of legend. > The magical light exists even in this world of fantasy, It is a sign of life and hope, so from that, there ought to be a heroine spoiling the myth of darkness in this world.

Freshening the World of Legend Before the gate of Tyria laid open her mysteries, kings and queens walked through the gate to find living things of legend and the dawn of the world of Elden. > A world made by her dreams, and a story evolved from her emotions, The Elden Ring is now the original fantasy RPG Elden, devoured by the dragons at the heart of the world of legends.
