• THE GREATEST FANTASY RPG GAME OF ALL TIME! Elder Scrolls was released in 1994 and is currently the definitive RPG of its kind. The Elder Scrolls V: Skyrim now returns to the fantasy world of Tamriel, where you are born with great power. Enjoy an open world free from the burden of overworld levels, multiple cities, and linear dungeons. As you search for your identity, experience the tension between good and evil, and challenge yourself with a vast array of weapons, armor, spells, and skills. • THE UNIQUE STRATEGY OF ELDER SKY: Elder Scrolls IV: Oblivion also features the unique Strategy system, which provides a free experience by forcing you to skillfully manage your actions and interactions on the world map. To create a smooth and balanced experience, the tactical RPG features several game features, such as fast and intuitive map navigation and a spell list with numerous spells from different classes and 6 different skills. • THE PHENOMENAL AUDIOTEXTURE OF ELDER SKY: As you move your body, the entire world of Tamriel becomes a believable and immersive living world. Smooth animation, lighting, shadowing, reflective surfaces, and weather effects help to bring the world alive in a way you've never experienced. • THE BEST ONLINE STRATEGY OF ALL TIME: The Elder Scrolls V: Skyrim also has the online play developed with significant investment by Bethesda Game Studios. Take part in game-play with friends and other players around the world. Enjoy vast, seamless multiplayer maps with robust combat, collectibles, and surprises, as well as tons of quests. In addition, the game also supports turn-based gameplay on local PCs with players around the world. A small portion of the proceeds of sale will support children's charities

Experience the Power of the Elden Ring and Shape the World Elden Ring has been proclaimed to be one of the most anticipated games on the PS4, and the game itself is an entirely new epic fantasy action RPG that was long desired by fans of the Sword Art Online and Final Fantasy series. Rise and become the hero of your own story by taking control of an aspiring Tarnished Knight and using your innate power to fight the darkness and restore the light in the Realm of Truth.

THE WORLD OF TARNISHED The world of Tarnished is a vast open field that is shrouded in darkness. During the formation of Heaven and Earth, King Elexor and the True God cursed the realm. The result has brought about the imbalance of the world. The 24 Kingdoms that used to exist have all been swallowed up by darkness. One day, a Tarnished King, Roland, appears in the Lands Between. He is the first knight in history whose Heart has been awakened, and he vows to raise the darkness from the depths of Hell and create a new world.

AN RPG FULL OF ACTION and POIGNANCY Elden Ring's world of Tarnished has one of the largest scale worlds that PS4 has seen, and it is filled with a spectacular range of content, including sword battles, intense special attacks, flying magic, and the unique combat system of Smash Attack that combines the power of swords and magical weapons, and even rides the lightning in the sky. The world of Tarnished is a game that encompasses the lives of many characters. However, each character has their own story, and there is a huge amount of variety even within the system, including the amount of cutscenes and dialogue, the bff6bb2d33

-Arrange a battle scene Battle is a fantastic game mode where the player can view the map and set up battle scenarios. -A Tactical Battle of the Lands In addition to the normal battle, the strategic battle has been added. It allows the players to forge alliances to win battles together by forming temporary party unions. -Battle Mode Expansion The spells that can be used in battle mode has been expanded and expanded to create even more tactical strategies. TRADITIONAL FANTASY ACTION RPG FIGHTERS:Q: How do you get a reference to the "this" object from inside event callback in an object literal? I have a very simple example here. I have a shopping cart object that contain all the information about a shopping cart. I also have a method for adding an item to the shopping cart, which takes an id of the item that is being added to the shopping cart. Here is how I'm doing it: `function(event) { item = { title : event.title, price: event.price, image : "" } var options = { onAddToCart: function() { // get the shopping cart object here } } $.ajax({ // ajax request here data: data, dataType: "json", beforeSend: function() { // some other code here }, success: function() { //ajax response here }, error: function(xhr, ajaxOptions, thrownError) {`

### What's new in Elden Ring:

#### TRANSITIONS REEL THE ELEMENT OF WITCHCRAFT TO GEOMANCY

Welcome to the world of Bakugan, where the great Power of the Martial Arts called Bakugan merge with the Power of Animal Spirits, both of which permeate the energy of the Physical Planes to change and transform the Land of Fusion. Transformed into the powers of ghostlike beings called "Elden," returning nature spirits called "Elden Lords" are the warriors trained to protect the land and its way of life. As well as protecting the land and its people, the Elden Lords are tasked with eliminating a powerful enemy who has invaded the land.
