## Beyonce 4 Zip Mediafirel

Beyonce 4 wasnt the finest album released this year or my personal favorite, but for many of us music fans, its the closest that music has ever been to perfection. Pharrell says that Im a perfect 10, but I know what he means. The reason I say its perfect is because it has so many different facets to it, it's fun, it's powerful, it's haunting, it's infectious, it's playful, and it's real. It's unforgettable, and its the best thing that I've listened to all year. If you get a chance, check it out, its hard to find, but it will undoubtedly be a classic. - Michael Slezak, Editor-in-Chief Beyonce saved her most boldly experimental beats for her self-titled fifth album, a mature but still mischievous opus that makes monogamy cool and stability sexy. Drunk in Love is soaring, ecstatic, and intimate, an instant wedding playlist staple. Partition has Bey at her flirtiest and most independent. Throw in a feminist motivational speech, on self-love anthem Flawless, and a handful of instantly iconic ad-libs (you'll never think of the word surboard the same again!) its a triumph thats both audacious and effortless. Beyonce 4 wasnt the finest album released this year or my personal favorite, but for many of us music fans, its the closest that music has ever been to perfection. Pharrell says that Im a perfect 10, but I know what he means. The reason I say its perfect is because it has so many different facets to it, it's fun, it's powerful, it's haunting, it's infectious, it's playful, and it's real. you are a f\*\*\*\*\* fan boy drunk dumb ass c\*\*\* you still live in the past. ashanti suck and so do bey and rihanna. stop sucking their d\*\*k and buying their albums. why are you so dumb you think beyonce has still got it. stop buying their albums you f\*\*\*ing loser. ashanti all the way! beyonce confirmed as a baby momma according to the intersect.@rafgal thanks for clarifying that courtney. i'll just stick to holding my girls and encouraging positive interactions between them. when i have some free time i'll create a family tree and find out their full names, birthdays, etc. mommy notifications. lol. and i will get the other mothers to tell me all the cool fun things the kids are doing too, i like to do that after i drop them off too. that way, i can put my phone down and enjoy my time with them without worrying about it. yes, of course i could spend more time taking care of my kids. i mean, that would be awesome. but i'm also not interested in getting my face scratched off by some random white girl looking for fame. i'm also not down for turning my kid's lives upside down for an idiot who thinks she could be famous. check the topic of this crap here biggie found myself on the streets of los angeles ca where you could post a video in the past on the internet of biggie beating her ass up with an axe because the axe got broken. in early december, fans started sharing a six-minute video on youtube showing the superstar singer being wheeled into an l.a. hospital in the midst of a meltdown. the once-vibrant star, surrounded by four men, can be seen in the video being handed an ax and she immediately starts assaulting the object. at times, the actress appears to be unresponsive while other times she begins convulsing and calling out for help. 5ec8ef588b
