## **Horton And Hunt Sociology Pdf! !!BETTER!!**

The Sociology of Horton and Hunt - download free PDF ebook (.pdf) or read free online. For the first time in Russian literature, the book provides a comparative analysis of a sociologist as an observer and researcher and a sociologist as a thinker and creator of the concept. On the example of sociologists from different countries, different stages of the development of sociology and different methodological approaches to the description of social reality (from subjective idealism to neopositivism), it is shown how sociological knowledge has changed in accordance with the goals and characteristics of a particular sociological school.
