Free Porn Videos & Sex Movies Thank you for choosing ThePornDude. I have been giving the Internet a new name in the world of porn for the last 10 years, I chose to call it ThePornDude because I wanted a name that made the Internet better. A name that would give the guy who drives the truck a sense of purpose. I have made this site because I love the internet. I love it's openness, and that anyone can contribute. Even though I know what you are looking for, I am not going to cheat you or fool you. I'm just going to give you the truth. The truth as I see it. The truth as I know it. Favorites I love my page gets 12,409 views a month, and 27,873 views a month. I love that people respect my page. I mean it's free poin right? right!?? What else matters?? Loud care less if I have 1,000,000 views because I don't need them. They just slow its down and make it hard for anyone to view. I just want to help people and share the internet with them. There are many great sites out there that have their own fans. What better way to make some money then to charge money to get more views. And now we have pages, so we can build up a huge fan base, and other websites will pay us for our popularity. So the more you get viewed, the more you will get paid. Yes, I do believe it is possible to make lots of money on the Internet. Welcome To ThePornDude.com Here at ThePornDude.com we love the Internet just as much as the next guy. We are the site that everyone likes. The site that most people visit at work on their lunch break. The site that everyone love others visit. It all comes down to this, the site is for fun. You are here to get away and enjoy the Internet. To share this gift with your friends. To meet others and see their views. They all share the Internet with you. ThePornDude.com understands this, and that is why we have. We have tons of great stuff for you. Real people from all over the world uploading their favorite videos every day.
